**SPRINGTIME IN WASHINGTON, DC**  
**Saturday, April 2**

The blooming of the cherry trees around the Jefferson Memorial in Washington, D.C. has come to symbolize the natural beauty of our nation's capital city. Hundreds of thousands of city residents and visitors from across the nation and around the world come here to witness the spectacle, hoping that the trees will be at the peak of bloom, Washington, D.C.'s rite of spring. The year 2009 marks the 97<sup>th</sup> celebration of the original gift of 3,000 cherry trees from the city of Tokyo. Washington's historic monuments are framed in springtime splendor when the Japanese cherry trees bloom. The famous trees indicate the coming of Spring with an explosion of life and color surrounding the monuments on the Tidal Basin in a sea of pink and white. After a brief driving tour of the area (traffic patterns permitting), the day is yours to do as you please.

\*The Peak Bloom Date is defined as the day in which 70% of the blossoms open. The date when the blossoms reach peak bloom varies from year to year, depends on weather conditions. Cherry Blossom dates are set based on the average date of blooming which is April 5<sup>th</sup>, but nature is not always cooperative". For these reasons we cannot guarantee blooms will be in full bloom but we do have reasonable expectations they will be when we visit.

**SPRINGTIME IN CAPE COD**  
**May 1-5**

**DAY 1**

Welcome to the sandy shores of Cape Cod. Extending some 70 miles into the sea, the Cape is home to both natural beauty and quaint colonial villages. You can walk pristine beaches, revel in the arts and culture, and reclaim childhood memories of seashells, sandcastles, and saltwater taffy. Lodging for the next four nights is at The Hyannis Harbor Hotel. Dinner is included this evening.

**DAY 2**

Breakfast is included this morning. Your guide will meet you at your hotel for a full day of touring. You will travel historic Route 6A, the Old King's Highway, a scenic byway winding through centuries of Cape Cod history. It winds past hundreds of historic structures which characterize its early development. View the Eastham Windmill, a Cape Cod Lighthouse and drive through the Cape Cod National Seashore area. Sand dunes and the ocean surround you as you approach "Land's End" – Provincetown. You are now at the extreme tip of Cape Cod. Formerly known as the "Province Lands" the pilgrims landed here first before they decided to settle across the Bay in Plymouth. Take some time to enjoy the wonderful variety of restaurants, shops, and galleries that make this artists/fishermen village so unique. Lunch is on your own today.

This afternoon you may choose to board an excursion vessel for an amazing experience of Whale Watching. You will travel into the natural habitat of a diverse marine environment including birds that migrate here from all over the Atlantic, and fish which use these shallow waters to feed. Try to spot Humpback, Minke, and Fin Whales going about their daily business. An onboard naturalist will introduce you to everything you see and will answer any of your questions about the whales, birds, fish and

lighthouses. For anyone not wishing to go on a whale watch you can enjoy a Dune Tour. Ride along the shoreline of the protected lands of the Cape Cod National Seashore. Your guide will point out the “dune shacks” where famous artists and writers became inspired to create their art. Back on dry land there will be time for shopping and dinner on your own in Provincetown.

### **DAY 3**

Breakfast is included this morning at your hotel. Your guide will meet you at the hotel and travel to the City of Boston. Boston is the city where America’s roots were formed and driving through it is like reading the pages of an American history book. Your guide will point out sights along the Freedom Trail as well as the Boston Common and Public Gardens, the Back Bay, Beacon Hill, and the gold-domed State House. You will view the U.S.S. Constitution and see the Bunker Hill Monument. Enjoy free time for lunch and shopping at historic Quincy Market and Faneuil Hall.

This afternoon as you travel back to the Cape a stop will be made in America’s Hometown – Plymouth. As one of the country’s first settlements it is well known in the United States for its historical value. Picture stops will be made at the Plymouth Rock, the traditional site of disembarkation of the Pilgrims in 1620 and the Mayflower II, a reproduction of the ship that brought the Pilgrims to the New World. Also, a stop will be made at the Forefather’s Monument, the largest, solid granite monument in the United States. It stands facing the harbor, welcoming those who come by water.

Dinner is included this evening.

### **DAY 4**

Breakfast is included this morning at your hotel. Your guide will meet you at your hotel to conduct a tour of Hyannis including the John F. Kennedy Memorial, the Korean War Memorial, Hyannisport and a view of St. Francis Xavier Church, Kennedy Family Parish. (This is an active house of worship and there will be certain times that we cannot enter the sanctuary.) Included this morning is admission on a Hyannis Harbor Cruise. Acquaint yourself with the area by hopping aboard the historic, old-time Maine coastal steamer, Prudence. Get to know the local landmarks, popular beaches and other points of interest on your way to the historic Kennedy Compound.

You will then travel to Sandwich – the oldest town on Cape Cod. You will have time for lunch on your own. You will then view the Village Green, the Great Salt Marsh, a Cranberry Bog, and Cape Cod Bay. This quaint and quiet seaside community is the hometown of Thornton Burgess, naturalist and author of 170 children’s books. Sandwich became the site of one of America’s largest glass factories, an industry that flourished during the 19<sup>th</sup> century.

This afternoon’s highlight is admission to the Heritage Museums & Gardens. Heritage offers one hundred acres of trees, shrubs, flowers, and sweeping lawns. Be sure to visit the JK Lilly III Automobile Collection Museum, the American History Museum, and

the Art Museum featuring an operating, hand-carved Carousel made in 1912. Also featured, is the Old East Windmill built in 1800 which was moved from Orleans to Heritage in 1968.

Lobster Dinner is included this evening. An alternate entrée will be available for any "landlubbers" not wishing to eat shellfish.
