Mermaid Parade

\$50.00

Coney Island, NY

June 16, 2018

Mt Carmel, Kulpmont, Shamokin, Shamokin Dam, Danville, Bloomsburg

A completely original creation of Coney Island USA the Mermaid Parade is the nation's largest art parade and one of New York City's greatest summer events. A celebration of ancient mythology and honky-tonk rituals of the seaside, it showcases over 3,000 creative individuals from all over the five boroughs and beyond, opening the summer with incredible art, entrepreneurial spirit and community pride. The parade highlights Coney Island Pageantry based on a century of many Coney parades, celebrates the artistic vision of the masses, and

ensures that the summer season is a success by bringing hundreds of thousands of people to the amusement area in a single day. Unlike most parades, this one has no ethnic, religious, or commercial aims. It's a major New York holiday invented by artists! An American version of the summer-solstice celebration, it takes pride of place with West African Water Festivals and Ancient Greek and Roman street theater. It's features participants dressed in hand-made costumes based on themes and categories set by us. This creates an artistic framework on which artists can improvise, resulting in the flourishing of frivolity, dedication, pride, and personal vision that has become how New York celebrates summer.
